BROWN TRAFFIC PRODUCTS, INC.)	
c/o Traffic Systems Solutions Co.)	
736 Federal Street)	
Davenport, Iowa 52803)	CEASE AND DESIST ORDER
)	BY STIPULATION
)	

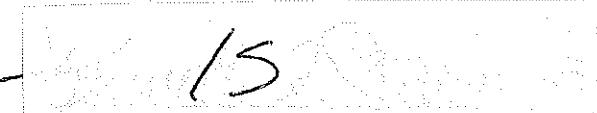

The Iowa Engineering and Land Surveying Examining Board ("Board") and Brown Traffic Products, Inc., an Iowa corporation, and its wholly-owned subsidiary, Traffic Systems Solutions Co. (collectively "Brown") stipulate to the following Cease and Desist Order pursuant to Iowa Code § 542B.24 (1995):

1. Brown does not currently employ a professional engineer licensed in Iowa under Iowa Code chapter 542B (1995).
2. The Board is investigating whether some features of Brown's work involve the practice of engineering in the state of Iowa. Rather than complete the investigation, Brown has agreed it will not in the future engage in the practice of professional engineering or represent to the public in Iowa any ability or authority to do so unless at the time of the representation it regularly employs, on other than an as-needed, occasional, or consulting basis, one or more professional engineers licensed to practice in Iowa who directly control and personally supervise all professional engineering work performed by Brown.
3. In the event of a violation of this agreement, the Board is not foreclosed from completing its pending investigation.

4. This Stipulation is a public record pursuant to Iowa Code chapter 22, and will be provided to the National Council of Examiners for Engineering and Surveying.
