Case No. 05-05

CONSENT ORDER

The Iowa Architectural Examining Board (Board) and William F. Conway (Respondent) enter into this Settlement Agreement and Consent Order (Order), pursuant to Iowa Code section 17A.10 (2003) and 193 IAC 7.4:

1. The Board has jurisdiction of this matter pursuant to Iowa Code chapters 17A, 544A, and 272C (2001, 2003).

2. Respondent is a registered architect in the state of Iowa. His registration lapsed on June 30, 2002. Respondent voluntarily reported the lapse to the board and reinstated his lapsed registration on February 4, 2005. Respondent agrees he performed architectural services in Iowa after his registration lapsed.

3. A Statement of Charges will be filed simultaneously with this Consent Order. Respondent agrees that he practiced architecture on a lapsed registration and agrees to the entry of a Consent Order, but he does not agree that he violated each of the code sections cited by the board in Count 1. The Consent Order accordingly reflects the compromise of a disputed matter.

4. Respondent has a right to a hearing on the charges, but waives his right to hearing and all attendant rights by freely and voluntarily entering into this Agreement. The Consent Order is the final agency order in the contested case.

5. This Agreement shall be part of the permanent record of Respondent and shall be considered by the Board in determining the nature and severity of any disciplinary action to be imposed in the event of any future violations.

6. This Agreement and the Statement of Charges are public records available for inspection and copying in accordance with the requirements of Iowa Code chapter 22 (2003).

7. Failure to comply with the provisions of this Agreement shall be grounds for disciplinary action pursuant to Iowa Code section 272C.3(2)(a) (2003). However, no action may be taken against Respondent for violations of these provisions without a hearing, or waiver of hearing.

8. This Agreement is subject to approval of the Board:

(a) If the Board fails to approve this Agreement, it shall be of no force or effect on either party, and it shall not be admissible for any purpose in further proceedings in this matter.

(b) If the Board approves this Agreement, it shall fully dispose of all issues in this case.

IT IS THEREFORE ORDERED:

A. Reprimand

Respondent is reprimanded for practicing architecture with a lapsed registration.

B. Civil Penalty

Respondent shall pay a \$1000.00 civil penalty no later than May 30, 2005.

C. Remedial Orders

(1) By May 30, 2005 Respondent shall mail written notice to all clients for whom he performed architectural services in the state of Iowa from and after July 1, 2002. The notice shall advise the client that Respondent's registration was lapsed when the services were provided. Copies of the letters shall be submitted to the Board no later than June 30, 2005.

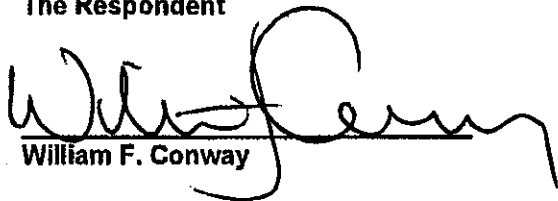

(2) Respondent shall recertify and reseal, as applicable, all documents certified or sealed for Iowa projects while his registration was expired. Respondent shall provide proof of compliance no later than June 30, 2005.

D. Future Compliance

Respondent shall in the future adhere to all statutes and administrative rules in the practice of architecture.
